1. Introduction

The purpose of the Complaints Procedure is to address complaints raised by parents / carers. At Kirkistown Primary School, we take complaints very seriously. We have the best interests of all our pupils and their families at the centre of all we do. In this regard, we encourage anyone with a concern to speak to us as soon as possible. If concerns are dealt with at an early stage, then they are more likely to be resolved to the satisfaction of all parties. Many issues can be addressed simply by talking to the relevant staff in school who will be happy to help. Open communication and regular engagement between the school staff and the school community is vital to the effective management of the school and to nurturing positive relationships within our school community as a whole. If you have any concerns please talk to the class teacher or Principal. We take all concerns seriously and make every effort to resolve matters as quickly as possible.

It is important to differentiate between *concerns* and *complaints*. The first stages outlined in the policy are focused on raising concerns with the class teacher and principal. Should you feel you need to proceed to making a formal complaint the procedure is outlined below.

1.1. School Information

The opinions of our school community matter greatly to us. We aim to be open and straightforward in all our dealings with our community; we appreciate feedback that is positive and constructive criticism too. We are always happy to listen to suggestions and try to survey our community on many aspects of their school experience to ensure that they are satisfied and to also improve that experience going forward.

Vision Statement

As a school, we aim to create independence and inspire lifelong learning.

School Ethos

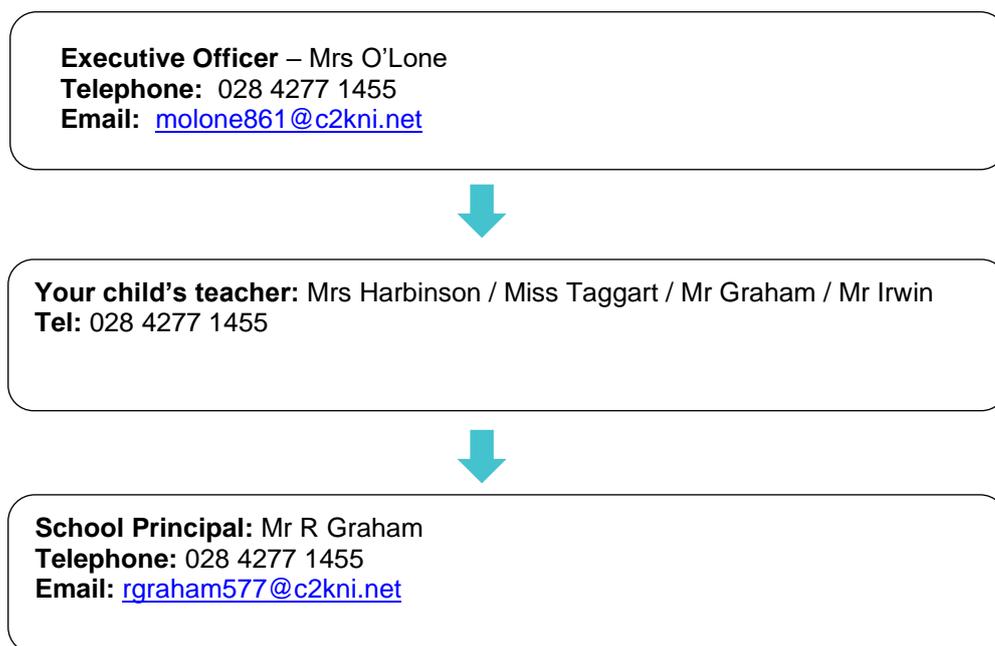

As a community, we will provide an environment that caters for the intellectual, physical, spiritual, moral and cultural development of all pupils.

Mission Statement

- We strive to ensure that the learning, achievements, attitudes and well-being of all members of the school community are valued.
- We provide a broad and balanced curriculum which will actively encourage everyone.
- Pupils are given opportunities to take responsibility and be encouraged to make a positive contribution to their learning, school, and the wider community.
- We are committed to promoting a healthy lifestyle and the wellbeing of the whole child.
- Staff, pupils, parents and governors work together to build a learning community that celebrates the values we share.

We take all issues seriously and make every effort to resolve matters as quickly as possible.

1.2. Communication Chart

RAISING CONCERNS

Informal Stage

Step 1 - Speaking with Teacher

In the first instance, a concern should normally be raised verbally with the teacher concerned, at an agreed time, so that s/he may have an opportunity to address the issue(s).

Please observe the school's existing protocols for arranging and conducting such meetings and follow the school's policy with respect to access to members of staff:

1. No concerns should be raised with the class teacher at the school gate or classroom door. Confidentiality is paramount. During school hours, children's safety, happiness and learning is our priority so all concerns should be raised by making an appointment with the class teacher after 3.00pm. The same applies for telephone calls. Concerns are most effectively dealt with when time is given to meet and discuss issues with responses and outcomes shared with parents and review dates set. If you require regular communication with the class teacher, a home-link facility/ email is available where necessary.
2. If the member of staff whom the parent has first contacted cannot deal with the matter immediately, s/he will make an arrangement to deal with it as soon as possible or refer the matter to another member of staff. On some occasions, the Principal may deal directly with a matter at this stage if it seems appropriate.
3. In accordance with the ethos of our school, staff have the right to be spoken to with respect and should there be any perceived aggression, intimidation or disrespect, meetings and telephone calls will be adjourned, and the matter passed to the principal. In such cases the principal will meet with the parent when an agreed non-adversarial persona is adopted. All pupils and staff have the right to feel safe in school and we have zero tolerance for any aggressive behaviour. Any breach of appropriate conduct may result in police intervention and the revoking of license on school grounds.

4. Concerns about a sub teacher should be reported to the Principal and not the sub teacher or other members of staff.

The teacher will inform the principal of the concern and share how it was resolved.

Step 2 - Speaking with the Principal

If your concern remains unresolved following Step 1, you should arrange a meeting with the Principal to discuss the issue(s). In some circumstances the Principal may not be able to deal effectively with your concern immediately and may require some time to investigate and respond. If further time is required you will be informed of the timescale and the likely date by which the Principal will respond. Meetings and telephone calls with the Principal should follow same format as meetings with class teacher – arranged for **after 3.00pm**. The principal is typically teaching every day except Wednesday so appointments can be scheduled for anytime on a Wednesday by ringing the school office. In some cases the Designated Teacher for Child Protection or Pastoral Care leader may also attend meetings.

At this informal stage your concerns should be raised and dealt with by the teacher.

If you proceed to the formal part of the process, the Principal will assume responsibility for the process, unless she/he is the subject of the concern, in which case the Chair of the Board of Governors will assume responsibility. Governors approached by a complainant should refer him/her to the Principal or the Chairperson as indicated in the following stages of the procedure. Should it be necessary, the Board of Governors will be responsible for establishing a Complaint Sub-Committee to investigate and resolve the matter.

If you wish to make a complaint, please follow the School Complaints Procedure attached.
