Vision & Values Survey

Vision Statement

A vision statement outlines what a school wishes to become and what they want for their children. It should be simple and to the point, supported by a separate Mission Statement and a statement of a school's ethos.

Kirkistown Primary School's Vision Statement reads:

"As a school, we aim to create independence and inspire lifelong learning."

School staff feel this reflects, in very simple terms, what we are trying to achieve.

- **We provide a broad and balanced curriculum which will actively encourage everyone.**
- **Pupils are given opportunities to take responsibility and are encouraged to make a positive contribution to their learning, school, and the wider community.**
- **We are committed to promoting a healthy lifestyle and the wellbeing of the whole child.**
